CAMPUS SAFETY

Staying Safe on Campus

UEI COLLEGE

Protecting Yourself From Being a Victim of a Crime

A significant part of crime prevention is individual safety consciousness and awareness of one's personal environment. These simple measures can contribute to the safety and security of the Campus Community:

- Lock your car.
- Never leave valuable items visible in your car including personal and school related materials such as textbooks.
- At night, travel in well-lighted areas and in pairs, if possible. Avoid shortcuts and deserted areas.
- Do not leave personal property unattended in classrooms, labs, or in the student lounge.
- Do not carry more cash than necessary and never advertise what you have.
- If anything makes you feel unsafe or threatened, notify campus personnel or dial 911.

Reporting Criminal Activities and Emergencies

UEI College personnel have no authority to arrest or detain any individual. UEI College will assist in notifying appropriate law enforcement authorities if a student requests assistance in contacting police.

Drug and Alcohol Abuse

UEI College is committed to maintaining an alcohol and drug-free environment for students and employees. Our culture, driven by a commitment to excellence in all areas, has no room for, and is incompatible with, substance abuse in any form. Any violation will result in appropriate disciplinary action up to and including dismissal.

No Weapons Policy

UEI College prohibits all persons who enter school property from carrying weapons of any kind regardless of whether the person is licensed to carry the weapon or not. Failure to abide by this policy will lead to dismissal.

Reporting Campus Crime

Upon observing or involvement in any type of crime or criminal offence on the campus or in the campus parking lot, or on immediately adjacent public property, including streets and sidewalks, the student or employee should immediately notify a Campus Security Authority (CSA) who are the campus Executive Director and the Director of Education. If the CSAs are not available, then the student should notify any campus level employee.

Reducing the Risk of Being a Victim of a Crime

- Be aware of your surroundings.
- Try to avoid isolated areas.
- Walk with a purpose.
- Trust your instincts. If a situation feels unsafe, it probably isn't the best place to be.
- Try not to load yourself down with books or backpacks.
- Make sure your cell phone is with you.
- Don't allow yourself to be isolated with someone you don't know.
- Avoid putting music headphones in both ears when walking alone.

Student Conduct

Students are expected to follow all the rules and regulations of UEI College and to conduct themselves within the parameters of acceptable behavior at all times. While on school premises or externship sites, students shall conduct themselves in a professional manner. Disruptive behavior, including but not limited to fighting, harassment, cheating, use of profanity, and stealing is not acceptable and may lead to termination from UEI College. Use of cell phones for personal use is not permitted during any class or lab sessions and should be kept to a minimum while on campus.
